| 1            | SP90487 | Cistern Lid Clamp Kit for EconoBoil HydroBoil, HydroBoil Plus 1.5-7.5 Litre Gen 2                          |
| 2            | SP90488 | Cistern Lid & Gasket Kit for EconoBoil HydroBoil HydroBoil Plus 1.5-7.5 Litre Gen 2                        |
| 3            | SP90490 | Gasket kit                                                                                                 |
| 4            | 90102UK | Cistern float kit (PCR196)                                                                                 |
| 5            | SP90069 | Jumper valve kit, with seals                                                                               |
| 6            | 90102UK | Cistern float kit (PCR196)                                                                                 |
| 7            | SP90493 | Metering tube & seals kit for EconoBoil, HydroBoil & HydroBoil Plus 1.5-3 Litre                            |
| 7            | SP90494 | Metering tube & seals kit for EconoBoil, HydroBoil & HydroBoil Plus 5-7.5 Litre                            |
| 8            | SP90495 | Banjo Screw for EconoBoil, HydroBoil, HydroBoil Plus Gen 2                                                 |
| 9            | SP90496 | O-ring kit                                                                                                 |
| 10           | SP90743 | Fascia & lens kit                                                                                          |
| 11           | SP90742 | Fascia assembly - grey (superseded by 90995, PCR108) Obsolete PCR242                                       |
| 12           | SP90620 | Sensor probe                                                                                               |
| 12           | SP90994 | White fascia for HydroBoil Plus 3-40 litre                                                                 |
| 13           | SP90579 | Overload kit (superseded by SP93119)                                                                       |
| 14           | SP90732 | Tap Top for HydroBoil Plus Generation 2                                                                    |
| 15           | SP90745 | Grey outlet nozzle for HydroBoil Plus Generation 2                                                         |
| 15           | SP90733 | Red outlet nozzle for HydroBoil Plus Generation 2 and 3                                                    |
| 16           | SP90503 | Strap & Key Kit for EconoBoil HydroBoil HydroBoil Plus 1.5 - 3 Litre Gen 2 and 3                           |
| 16           | SP90504 | Strap & Key Kit for EconoBoil HydroBoil HydroBoil Plus 5 - 7.5 Litre Gen 2 and 3                           |
| 17           | SP90505 | Tap nut kit                                                                                                |
| 18           | SP90509 | Tap Body for HydroBoil HS202- HS208, HS302-HS308                                                           |
| 18           | SP90909 | Tap body kit, for later version HydroBoil,( eg. 205561) Obsolete PCR242                                    |
| 18           | 93899UK | Tap body for HydroBoil Plus Generation 2 and 3 (larger outlet tube less than 10litre introduced June 2016) |
| 19           | SP90485 | Element kit 1.5Kw for EconoBoil, HydroBoil & HydroBoil Plus                                                |
| 19           | SP90486 | Element Kit 2.4Kw for EconoBoil, HydroBoil & HydroBoil Plus 5-7.5 Litre                                    |
| 20           | SP90491 | Cleaning hole cover kit                                                                                    |
| 21           | SP90492 | Drain cover and seal for HydroBoil and HydroBoil Plus G2                                                   |
| 22           | SP90107 | Filter kit cold inlet bush                                                                                 |
| 23           | SP90135 | 3 litre lid, gasket & clips                                                                                |
| 23           | SP90136 | Boiling tank lid, gasket & clips for HydroBoil Plus 5 Litre                                                |

| Extras from stock list |         |                                                                            |

| 23                     | SP90213 | Boiling tank lid, gasket & clips for HydroBoil Plus G2 7.5 Litre Gen 2 & 3 |
| 24                     | SP90130 | Lid clips for boiling tanks 1.5 -7.5 litre                                 |
| 25                     | SP90744 | PCB for HydroBoil Plus 3-7.5 Litre Generation 2                            |
| •                      | SP99269 | Safety Button for HydroBoil Plus Generation 2 and 3                        |
| •                      | SP90907 | Cistern lid gasket                                                         |
| •                      | SP88478 | Boiling tank & tap for HydroBoil Plus 3 Litre                              |
| •                      | SP88479 | Boiling tank & tap for HydroBoil Plus 5 Litre                              |
| •                      | SP88480 | Boiling tank & tap for HydroBoil Plus 7.5 Litre                            |
|                        | SP90561 | Fascia PCB (UK) (HB Plus)                                                  |
|                        | SP90795 | HP107 Case Assy (inactive PCR242)                                          |
|                        | SP90796 | HP007 Case Assy (inactive PCR242)                                          |
|                        | SP90151 | HP003 White Case Assy (inactive PCR242)                                    |
|                        | SP90157 | HP103 - S/S Case Assy (inactive PCR242)                                    |
|                        | SP90158 | HP005 - White Case Assy (inactive PCR242)                                  |
|                        | SP90168 | HP105 S/Steel Case Assy (inactive PCR242)                                  |
|                        | SP90199 | 'HP' White Fascia Kit (obsolete PCR93,106)                                 |
|                        | SP90200 | 'HP' S/Steel Fascia Kit (obsolete PCR93,106)                               |
|                        | SP98798 | Silcone Tube Kit for HydroBoil Plus 3- 40 litre Generation 2 and 3         |
|                        | SP90214 | Sensor Sleep Mode                                                          |
|                        | SP90813 | Red Tap handle Kit H/boil +                                                |
|                        | SP98795 | 1m of 5.5 x 1.6mm Silcone Tube (superseded by SR80000 PCR129)              |
|                        | SP90108 | 'O' Rings & Gasket Kit (EB) Obsolete PCR106                                |
|                        | SP90115 | Grommet & Gasket Kit (EB)                                                  |
|                        | SP90779 | Cistern Grommet &Gasket Kit EB                                             |
|                        | SP1259  | Plastic float only. Obsolete PCR242                                        |
|                        | SP2218  | Nylon screw (ball valve) Obsolete PCR242                                   |
|                        | SP2219  | Nylon nut (ball valve) Obsolete PCR242                                     |
|                        | SP2647A | Jumper body assy                                                           |
|                        | SP88330 | Pack of 10 drain plug O rings                                              |
|                        | SP99950 | Boiling Water Label                                                        |
|                        | SP2646A | Disc Valve Ass. Kit (HB/HS/HP)                                             |
|                        | SP2734A | Capsule Tin Plated                                                         |
|                        | SP90908 | HP/HS/EB cistern tank gaskets                                              |
